The 'Original Hand cut Experience' Workshop

£40 per person

The perfect intro into the world of paper cut art. The workshop is great for friends and families or as a lovely gift for somebody with one of my **workshop gift vouchers!**

No previous experience is required and you'll be cutting like an 'old hand' in no time! Everyone is welcome but children should be 13 or over and accompanied by an adult.

Sessions run either morning or afternoon, or even early evening and last for 2.5 hours or a little over on occasion! I can cater for up to 5 people comfortably - or a few more if you don't mind being a little cosier!

Workshop features

- Welcome and introduction by the artist
- Overview of the process and easy to follow demonstration of techniques
- Lots of 'hands-on' time to create your own masterpiece with a choice of my design templates
- All materials and equipment included
- One-to-one help and guidance on hand at every step
- Lots of tea/soft drinks with home made cake and biscuits
- Workshop certificate of achievement
- Complimentary **15% off voucher** for another workshop or an art purchase from Hand Cut Originals
- Your art is mounted and yours to keep with an option to have your masterpiece framed (nominal extra cost - £8)

Useful stuff to know

The studio's **Location** is in St. John's, 1.5 miles from Worcester city centre, and not too far from M5 J6 & 7. **Parking** is FREE and to the front of the property and there also **easy access** to the studio (ask for details if you have mobility issues). All **materials** are included as well as **refreshments** too! The **studio** is light and airy and has heating and fans for when it's warmer! Your **safety** and well-being is my priority - You'll be guided on the safe use of 'sharp things' before we start. It's detailed stuff so don't forget your **glasses** if you wear them! **Covid** precautions which include deep cleaning are adhered to in line with current guidelines and visors or masks may be required dependant on the threat at the time of your workshop.

Please note that I am happy to bring workshops to your group location (if feasible) - please contact me to discuss in more detail.
